

Specification Sheet

Part Number: FPICONC-W

Article Number

854-35355

Type

FPICONC

Color

White (WH)

Features & Benefits

- Icons are simple to remove from the wheel and with one easy insertion the icon snaps quickly into the modular faceplate.
- Multiple colors available to assist with color coding.

Product Description

Available in the same colors as the modular jacks, HellermannTyton's icons are ideal for identifying the modular faceplates. They are offered in rings of 16 icons with six rings in a bag. Each ring contains five voice icons, five data icons and six blank icons.
